HIALEAH HOLIDAY FOOD DRIVE

Hialeah, Florida – The end of the year is quickly approaching and soon everyone will be gearing up for the 2009 holiday shopping season. But before the malls get crowded, and the holiday stress kicks in, take some time to donate non-perishable food items to any of our Hialeah Facilities for the city Canned Food Drive.

Co-sponsored by Vista and Summit HealthPlans, the City of Hialeah encourages everyone to participate in this noble cause. As the holidays are a time to rejoice and spend warm evenings amidst family and friends, many who are less fortunate struggle to provide a decent meal to their loved ones.

Donate a can of food at one of our specially marked bins at any City of Hialeah facility such as our parks, libraries, police or fire stations and help us help others. All donated non-perishables will go towards helping needy, low-income family selected through Hialeah social services. This event will be over on November 1, 2009, so don't hesitate to donate your cans today!

Contact the City of Hialeah Communications and Special Events Department at 305-889-5701 for more information on where you can go to donate canned goods.
